

WITHDRAWAL & REFUND POLICY FOR INTERNATIONAL STUDENTS

67% of tuition fee is refundable to international students who are refused visa for entry to Canada or refused a Passport. It is the responsibility of the student to apply to an immigration centre. The only acceptable proof is the original letter of denied entry from a government official. Once the visa is issued no refund is possible.

I understand that if I am refused a student visa for entry to Canada for the purpose of studying at Canada Christian College, **that only 67%** of the tuition fee will be refunded to me as stated above.
